strength-based, trauma-informed, and family-focused mental health services and referrals.

Early Childhood Mental Health Consultation (ECMHC): We partner with over 60 different sites throughout San Francisco to ensure the psychological well-being of young children ages 0-5 and their families. We support the city's youngest residents through individual and group consultation, workshops and support groups for families, training and support for providers, and observation and groups for children.

Amani Mental Health Training: The Amani program provides new education and employment opportunities for at least 25 Black/African American city residents each year. We are re-imagining and challenging conventional mental health education and employment pathways by growing the number of peer support and mental health professionals trained to meet the urgent need for an Afri-centric, culturally responsive mental health and wellness approach.

Kuamka Community Healing Arts: "Kuamka" means "to awaken" in Swahili, and the program trains and supports Black artists and therapists in awakening a new healing, both within themselves and the community, thereby empowering them to then facilitate over 50 healing arts groups over the year throughout San Francisco.

Brighter Futures: The Brighter Futures program ensures mental health services for the Black/African American community are accessible regardless of insurance, ability to pay, or familiarity with a mental health system that often alienates and pathologizes them. The Community Therapist in this program provides a wide range of

Case Management:

Through our Case Management program, families and individuals receive services to help them navigate challenges with housing, public benefits, education, employment, transportation, and other issues. Form 990, Part VI, Line 11b - Form 990 Review Process

A draft of the Form 990 is prepared by our CPA which is reviewed by organizational staff including the Executive Director and any corrections are identified. Following this process, a copy of the Form 990 is made available for the full board to review, and is discussed with the Board Treasurer and Board President. Once these steps have taken place, the Form 990 is finalized, signed, and submitted to the Internal Revenue Service.

Form 990, Part VI, Line 12c - Explanation of Monitoring and Enforcement of Conflicts

The organization requires an annual disclosure by the Board. If a conflict of interest is identified or exists, the board follows the conflict of interest policy in addressing the conflict, and determining the proper course of action. The organization is pro-active, and addresses conflict when they first arise rather than waiting until the year end reporting period to address them.

To provide direct mental health services, psychotherapy, and counseling to homeless families in San Francisco, CA and in particular to children of such families, to provide referral services for such families and their children to other social service agencies, to coordinate the provision of such services through and with certain homeless family shelters in San Francisco and to provide educational and charitable services to the public as permitted by Section 214 of the California Revenue and Taxation Code.

Africentric Programs:

Community Innovations Mini-Grants: Grantees receive an average of \$5,000 per award through innovative, streamlined pathways to access urgently needed funding.

Mini-grant proposals aim to promote joy and wellness in the larger Black community, and advance social justice endeavors for marginalized community members, including Black youth, LGBTQ+ community members, and those who are homeless or experiencing housing instability.

Afro-Cultural Preservation Mini-Grants: Grantees receive an average of \$10,000 per award to support and fund events centering marginalized communities, especially the Black/African American LGBTQ+ community, in order to promote and preserve the history and legacy of historically Black neighborhoods in San Francisco.

strength-based, trauma-informed, and family-focused mental health services and referrals.

Early Childhood Mental Health Consultation (ECMHC): We partner with over 60 different sites throughout San Francisco to ensure the psychological well-being of young children ages 0-5 and their families. We support the city's youngest residents through individual and group consultation, workshops and support groups for families, training and support for providers, and observation and groups for children.

Amani Mental Health Training: The Amani program provides new education and employment opportunities for at least 25 Black/African American city residents each year. We are re-imagining and challenging conventional mental health education and employment pathways by growing the number of peer support and mental health professionals trained to meet the urgent need for an Afri-centric, culturally responsive mental health and wellness approach.

Kuamka Community Healing Arts: "Kuamka" means "to awaken" in Swahili, and the program trains and supports Black artists and therapists in awakening a new healing, both within themselves and the community, thereby empowering them to then facilitate over 50 healing arts groups over the year throughout San Francisco.

Brighter Futures: The Brighter Futures program ensures mental health services for the Black/African American community are accessible regardless of insurance, ability to pay, or familiarity with a mental health system that often alienates and pathologizes them.
